- a. One
- b. Two
- c. As many as they want

21. Who must sign in/out of the ranges either digitally or by using the forms provided in the brown building near the 50 yard range?

- a. Only non-member visitors
- b. Only organizations during approved reservations
- c. All range members and their guests, every time they use the range
- d. Only military personnel

22. When should the action of a firearm on the range be CLOSED?

- a. At all times to keep debris out of the action
- b. Any time the range is being used
- c. Only when actively firing at a proper target with a proper backstop

23. Who must wear eye and ear protection at the range?

- a. Only those actively firing
- b. Only shooters with poor vision or hearing
- c. Everyone on the firing line, whether they're shooting or not

24. To help keep the range clean, you should do what before you leave the range?

- a. Remove paper from target backing
- b. Sweep up empty ammo casings
- c. Pick up any debris from around the firing station and target areas, including clay  
bird debris
- d. All the above

25. Where may you shoot clay birds at Big Hollow?

- a. Over any open field
- b. Over the lake
- c. On the 50 yard range, from the firing line midway down the range and using only the clay throwers provided

26. To shoot at shorter distances, you may set target frames closer to the firing line.

- a. True
- b. False

27. When there are a lot of people wanting to use the range at the same time, you should limit your shooting to how long?

- a. 30 minutes
- b. One hour
- c. Two hours
- d. None of the above

28. Individuals found to be intentionally or unintentionally shooting over berms will be prosecuted under what State of Iowa Code Section?

- a. Section 724.30, "Reckless Use of a Firearm"
- b. Section 461A.44, "Prohibited Areas"
- c. None. Penalties will be determined by the Conservation Board
- d. None of the above

29. In the course video, what specific example was used to emphasize the importance of always using the proper ammunition?

- a. A 9mm round in a .40 caliber handgun
- b. A 20 gauge round in a 12 gauge shotgun
- c. A .30 caliber round in a .35 caliber rifle
- d. None of the above

30. What should you do if you pull the trigger on a loaded firearm and the round does not fire?

- a. Turn to your neighbor for help
- b. Wait 1 full minute, keeping the muzzle pointed down range, before you do anything else
- c. Disregard it and continue shooting
- d. Extract the round and inspect if for damage then try to fire it again

31. Inexperienced shooters, or shooters with new or unfamiliar firearms should:

- a. Learn about the firearm and how to safely handle it before attempting to fire it on the range
- b. Learn about the firearm and how to use it safely from an experienced shooter
- c. Ask for instruction whenever they're not familiar with a particular firearm
- d. All the above

32. Which of the following targets are you allowed to bring and use on the range? (check all that apply)

- Steel silhouettes
- Tannerite
- Paper targets
- Clay birds
- Cans, jugs, or other non-glass beverage containers

33. If you encounter a situation that is unsafe or that violates range policies, what should you do?

- a. Move to a different range
- b. Take pictures
- c. Remove yourself from the situation and report it immediately
- d. Make a note of it and report it later

34. All the safety training in the world won't keep you or anyone safe unless you have...

- a. The certification to prove it
- b. Friends in law enforcement
- c. The positive attitude to apply the information correctly

35. Of these four laws of firearm safety, which is the most important?

- a. Always point the muzzle in a safe direction
- b. Keep your finger off the trigger until you are ready to shoot
- c. Keep the action open and unloaded until ready to use
- d. Be sure of your target and what's beyond

36. The "safety" on a firearm...

- a. Guarantees the firearm cannot be shot when engaged
- b. Is used only to supplement proper gun handling
- c. Should not be used on the range

Yes, I agree without reservation to abide by all safety and operating rules and regulations of the Des Moines County Conservation Shooting Range located at Big Hollow Recreation Area. I also hereby waive, relieve, and absolve Des Moines County Conservation and its employees, agents, assignees, directors, and all other duly authorized representatives thereof, of any and all liability whatsoever, including all claims, demands, and causes of action of every nature affecting the undersigned and their children or wards which any of them may have or ever have in connection with the shooting range facility.
