

July 16, 2013

The Des Moines County Board of Supervisors met in regular session at the Court House in Burlington at 9:00 A.M. on Tuesday, July 16, 2013 with Tom Broeker, Bob Beck and Jim Cary present.

Unless otherwise noted, all motions passed unanimously.

Changes to tentative agenda: Broeker removed item G (Discussion of Joint Law Enforcement Building) on the agenda. The Board will meet with the City Council on Monday, July 22 @ 4PM at City Hall. This agenda item is on hold for a couple of weeks.

Meet with Department Heads: County Recorder Lisa Schreiner is busy changing over to a new program Eagle Recorder in her office. The change over should be complete in October. Conservation Director Chris Lee read a thank you letter from a Michigan resident who was camping at Big Hollow recently and had items stolen. He thanked Park Ranger Pat Rogge and Deputy Thompson for their quick action in resolving the burglary and returning some of their stolen items.

Correspondence items: Broeker read a thank you letter from Community Action. They thanked the county for the \$250 donation for the food pantry. Broeker read the letter from the Department of Corrections regarding the Jail Inspection. The letter referred to an area in need of maintenance in the jail. The skylights had deceased bugs on the interior and food on the bottom. Maintenance will clean the skylights. All other documentation was current and completed in a timely manner.

Public Input Session #1. Kenny Mattson, 4438 Sullivan Slough, asked the Board if they could do something about a noise ordinance for residents in the two-mile zone. A neighbor runs his tractor after dark on his small acreage and runs them all night long moving dirt on his property. Mattson stated the neighbor has been doing this for about ten years. Deputies have been to the location and have shut them down several times but not always. Mr. Mattson would like to see something to give the deputies more authority; 9PM to 7AM should be a quiet time. He has even contacted the NRCS about the soil run off from this property, they do not regulate parcels under one acre. He mentioned several issues with this neighbor and would like some kind of ordinance drafted and approved by the Board. Broeker was not sure a noise ordinance would affect this neighbor considering the history. Beck was concerned about a noise ordinance interfering with agriculture. Pat Jackson will look into the situation. Broeker is not sure there is anything they can do to fix the situation.

Terry Davis, 15552 North Prairie Grove, had a question about the joint law enforcement facility. He wanted to know if there was anything wrong with the current facility. Mr. Davis felt this would be an unnecessary burden and expense to the taxpayers.

John Hager, 601 Franklin, feels there is some advantage to the joint law enforcement but how will we pay for the building. He felt they should look elsewhere instead of downtown because of concerns about storage and access. The downtown location is too boxed in. he knows the money is not available and the issue should be voted on by the residents. Concerned about the taxpayers and wants the Board to consider them before making a decision and use caution.

Beck moved to approve Accounts Payable Claims totaling \$327,591.92. Cary seconded.

Beck moved to open a Public Hearing for an Amendment to Des Moines County Zoning Ordinance #34. Cary seconded. Jeff Hanan, Land Use Administrator spoke about the zoning ordinance amendment. The purpose of the hearing is regarding rezoning parcels of land at 6576 Highway 61 South from R-1 One-Household Residential District to B-1 Business/Commercial District. Hanan presented a map of the area. The Zoning Commission recommends approval of the rezoning request. Cary moved to close the public hearing. Beck seconded. Broeker read the ordinance amendment into the record. Beck moved to approve the first reading. Cary seconded.

Dan Eberhardt with SEIRPC was present to discuss CDBG Contract 08-DRHB-219. The Iowa Economic Development Authority (IEDA) sent forms to the Board of Supervisors' Chair. Three forms were sent: Ready to Close Form, Audit Requirements for the CDBG and Notice to Close for CDBG Contract 08-DRHB-219. The IEDA would like the forms signed and returned soon to close the CDBG program. Dan Eberhardt also mentioned additional properties were not purchased by Des Moines County but through the grant the structures were purchased and demolished. The additional properties will have deed restrictions added to their properties. Beck moved to approve and sign the documents. Cary seconded.

County Attorney Pat Jackson was present to discuss the Medical Examiners Contract. Dr. Eugene Torres has agreed to sign a five-year contract. Cary moved to approve the contract. Beck seconded.

The Assessor's Office submitted a 2013 Homestead Credits and Military Exemptions report. Cary moved to approve the report. Beck seconded.

The following reports were received and will be on file:

- Clerk's Report of Fees Collected, June 2013
- CPC monthly report – June 2013
- General Assistance monthly report – June 2013
- Sheriff's Office – Monies Collected June 2013
- Veterans Affairs – Quarterly report June 2013

Cary moved to approve minutes for the Board meeting held on July 9, 2013. Beck seconded.

Committee Reports: Beck attended a Conservation meeting. Cary attended a RUSS meeting. RUSS signed a contract with an attorney to start litigation for unpaid bills in Mt Union. Originally, there were seventeen unpaid bills, now they are down to fifteen. Broeker attended a Case Management meeting.

Public Input Session #2. John Hager spoke again about the Law Enforcement Center. He asked if the public can attend the work session with the City Council and if the public can make comments. Broeker stated during their work sessions they allow the public to speak. He encouraged Mr. Hager to attend the work session with the City.

Beck motioned to adjourn. Cary seconded. The meeting adjourned at 9:54 A.M.

The recorded Board meeting is on file for two years. The minutes are on the county's website [www.dmcountry.com](http://www.dmcountry.com)

Approved July 24, 2013

Tom Broeker, Chairman

Attest: Terri Johnson, Deputy Auditor
