

April 16th, 2019

The Des Moines County Board of Supervisors met in regular session at the Court House in Burlington at 9 AM on Tuesday, April 16th, 2019, with Vice-Chair Bob Beck and Jim Cary present.

Unless otherwise noted, all motions passed unanimously.

The Pledge of Allegiance was conducted.

Meet with Department Heads: IT Director Colin Gerst completed a large e-mail upgrade. Conservation Director Chris Lee stated that his department is working on opening Welter's Sycamore Loop this weekend. There was extensive damage to Maple Loop which is a non-electric site. The Conservation Commission will discuss whether they will open Maple Loop in the future. Skunk River use is declining. Big Hollow has had campers the last two weekends and the 4th of July is sold out. Most of May is sold out. The two seasonal employees that were hired from park revenue have been a lot of help. There will be a field tour before Conservation's May board meeting. Assistant Land Use Administrator Jarred Lassiter stated that they recorded a couple minor subdivisions last week and are currently working on a full subdivision. Others present were: Budget Director Cheryl McVey, Maintenance Supervisor Rodney Bliesener, Lieutenant Clint Williams, Safety Director Angie Vaughan, County Attorney Lisa Schaefer, CDS Director Ken Hyndman, and Administrative Assistant Julie Winters.

Mary Beard, Director of Southeast Iowa Regional Airport, Dan Wiedemeier and Charlie Walsh, Board Members, talked to the Board about airport land use and height/zoning restrictions around the airport. They are trying to put together a committee to review the Burlington, West Burlington, and County ordinances. Maps need to be updated and ordinances need new terminology which helps citizens and developers. There is a grant available from Iowa DOT for \$30,000 with a \$5,000 match that they could apply for after the zoning is approved. They would like to form a committee made up of each community, counsel members, supervisor and planning commission. Discussion was held regarding dust issues from Hartman Road. The board gave verbal support of the airport. Assistant Land Use Administrator Jarred Lassiter felt that our zoning ordinance would need to be updated to mention where people would go to find the airport zoning.

Accounts Payable claims in the amount of \$679,665.02 were approved upon motion by Cary and seconded by Beck.

Fireworks permit for Craig & Lori Upton for display date of May 25th was approved upon motion by Cary seconded by Beck.

Bob Beck mentioned that DESCOM will meet on Thursday regarding the 28E agreement. They added two members. Burlington will have 3 members, County 2 members, West Burlington 1 member, and the small cities 1 member.

Personnel Action: Correctional Center – Victoria Burnett, PT Cook, resignation effective 4/19. Alexis Abney, FT CO, 1 day unpaid leave 8.25 hrs. Cary motioned to approve and seconded by Beck.
